

Grosbeaks Galore!

How to Create an Oasis for Migratory Birds On Your Property

Forest Beach Migratory Preserve

(formerly Squires Country Club), 4970 Country Club Beach Road

Belgium, Wisconsin

Saturday, October 8, 2011 9:00 AM to 4:00 PM

Keynote Speaker: Dr. Doug Tallamy, author of *Bringing Nature Home*

Learn how to make a small investment
that will pay off **BIG** for migratory birds!

- What do birds need for food, shelter, roosting?
Tips for country estate or city backyard
- Native trees—how to plant and care for them
- Creating water features to attract birds
- How to eliminate hazards to birds on your property
- Why is Lake Michigan important for migration?
- Migratory birds in fall, winter, spring — where do they go and what do they need?
- And much, much more!

Fee is only \$5 — includes:

- lunch
- a list of excellent speakers
- both indoor and outdoor activities
