Shorebirds Need Our Help

©Judith Huf, 2007

"Please Help Me!"

"I'm exhausted and hungry from flying thousands of miles on migration and I really need to rest and feed on this beach. You can help me and other shorebirds (sandpipers and plovers), when we are present on this beach by:"

Limiting your activities to the upper beach.

Keeping your dogs away from the water's edge.

Not approaching us too closely.

**Piping Plovers are state and federally endangered. To report a sighting, contact the US Fish and Wildlife Service's Green Bay Ecological Services office at 920-866-1717*
