Phone 920-230-1900 Toll-free 1-855-230-1900

Mail-in registrations are due by MARCH 14

globally, and add much to a community's quality of life. Bird City Wisconsin helps communities take action to protect birds and their habitats and offers public recognition for their efforts. Whether your area is already one of 76 Bird City communities or would like to become one, join us to learn how to: 1) enhance the environment for birds 2) educate the public about the interactions between birds and people, and 3) Celebrate Birds!

Who Should Attend?

- Those who wish to strengthen their Bird City conservation efforts
- Those who want to help their community become a Bird City
- Foresters, park directors, sustainability leaders and other conservation-minded officials
- Wisconsin Society for Ornithology, Audubon, Wild Ones, bird, nature and garden club members
- All partners in the Wisconsin Bird Conservation Initiative
- Flying WILD Facilitators and Educators (*training for FW educators will be held March 20*)
- Anyone else interested in bird education and conservation

Why Attend?

- Share your stories, programs and ideas about:
 - **Creating and Protecting Habitat**
 - **Effective Community Forest Management**
 - **Limiting or Removing Hazards to Birds**
 - **Celebrating International Migratory Bird Day**
- Build community interest and participation in your efforts
- Forge partnerships between conservation groups and public officials
- Chart programs for achieving "Sustained Flight" and "High Flyer" status
- Discover the latest bird education materials and resources
