

Become a Flying WILD Educator!

Birds are an integral part of our lives and those of future generations. Exploring bird biology, behavior, sounds, flight and habitat can be an adventure in learning. This workshop will be catered to those in Bird Cities helping community members and educators organize, plan, and offer a successful bird education lesson or festival.

Register TODAY! >>>Flying WILD Bird Education Workshop

- Fun, hands-on, **educational activities** to engage children of all ages.
- Great way to get people **outdoors and into nature**.
- **Tips, tools, and ideas** for putting on a successful bird education festival or event.
- **Service learning opportunities** with community mentors.
- Receive **award-winning program guide**.

This workshop is being offered in association with the Bird City Wisconsin Summit – WI Bird Conservation Initiative (WBCI) Statewide Annual Meeting. You may register and attend this workshop even if you are not available to attend the summit.
